Public Library Trips

Our students will be visiting the Sterling Public Library throughout the school year. Our hope is that your family will also visit the public library together. The library has wonderful resources.

Calm Classroom

A new program in our school this year is called Calm Classroom. We are working to help our students learn to calm themselves and focus better. For more information, please visit: www.calmclassroom.com

Magic 3 Reading

Magic 3 Reading is one special way to share a book with your child.

- 1: Read a book to your child.
- 2: You and your child read the same book together.
- 3: Your child reads that same book to you. Happy Reading!

OCTOBER 2010 FRANKLIN ELEMENTARY SCHOOL

Where kids achieve!

Healthy School

You can help the students in our school stay healthy by practicing the 3 C's:

- Clean:** Wash hands before eating and after restroom, playing, sneezing or coughing
- Cover:** Cough/sneeze into your sleeve or elbow.
- Contain:** Stay home with fever, diarrhea or vomiting.

* Students may not return to school until they are fever free for 24 hours without the aide of medicine (i.e., Tylenol)

RTI: Response to Intervention

RTI (Response to Intervention) is an approach to learning that we use throughout our district. Our teachers work in teams to check the reading levels of all students, provide extra help if needed, and carefully monitor the progress of students who receive extra help. RTI is a great way to help our students succeed!
