Reward

Students following the school-wide expectations will earn a B.U.S. ticket from a staff member. Teachers will keep a reward chart in their classrooms to track the amount of B.U.S. tickets a student has received. Once he or she reaches 5 B.U.S. points they will be able to choose a prize from their classroom teacher or a school-wide prize. Students can earn B.U.S. tickets throughout the school year at any location in the school.

Students will also be treated to school-wide celebrations throughout the school year.
