**Parental Requests for  
Teachers**

We try to balance out each class by leadership, ability, gender, numbers, etc. We do not honor parent requests for a specific teacher due to the criteria used in assignment. If you have a request for your child not being assigned to a specific teacher make an appointment with the building principal to discuss the matter prior to the last day of school.

Please write a rationale for your request and bring it with you to the meeting. The Principal will have the final say on all student/teacher class assignments.

**Wendy's Night**

**May 19th 5-8 PM**

Lincoln School will receive 15% of any purchases made at the Sterling Wendy's dine-in or take out. The money will be used to support "Bucks For Books".
